MR. JOHN OGBIN
Vice Principal/Curriculum Coordinator

September 19, 2018

Dear Parents and Guardians:

Each spring we administer two state mandated assessments in grades 3-8; the PARCC (The Partnership for Assessment and Readiness for College and Careers) assessment. The assessments will measure student achievement in English Language Arts/Literacy, Mathematics, based on the learning standards contained in the NJSLS for Math and Language Arts. Please refer to the testing schedule on the next page for the test administration window for the 2018-2019 school year. We will be sending out another letter as we approach the test administration window.

We appreciate your cooperation in making sure your child attends school daily and on time during testing dates. Remember, it is also important that your child receives a healthy breakfast and enough sleep throughout testing. Cell phones and other electronic devices will not be permitted in classrooms with students during test administration. Students are permitted to bring a recreational book to read once they have completed the test. Please contact us with any questions or concerns. Thank you.

Sincerely,

John Ogbin
Vice Principal/Curriculum Coordinator

It is the mission of the Hopewell Crest School to ensure that all children have the right to learn the New Jersey Core Content Curriculum Standards in a safe environment, where they will work to their fullest potential to become productive citizens in a technological world. In doing so, they will attain life-long physical, social, academic and emotional skills through the partnership of parents, staff and a supportive community.
