

Hello this is John Ogbin from Hopewell Crest School with some important announcements. I hope everyone had a great second week of online learning. Like I've said before there will be some bumps in the road but we have solutions! [Click Here](#) for our YouTube Page! There you will find over 20 videos to help you navigate and troubleshoot Office 365 issues. We will be serving breakfast and lunch every Thursday from 8:30 to 10:30am in the new parking lot behind the school. This is free for all Hopewell Crest Students if you plan on using this service, we are asking that you complete the form for this week on our website in order for us to have an accurate count for the number of breakfast and lunch bags needed. We will also have Chromebooks available for students in grades 2 through 8 during breakfast and lunch pick up. If you need a Chromebook for your child please click the Chromebook Agreement Form on the Hopewell Crest Website before pick up. Hey 8th graders! We want to see you! 8th Grade Parents it is time to show off your pride and joy! Please send us pictures so we can flood the Hopewell Crest announcements, website, and Facebook page with pictures of our 8th graders. Send your pictures to jogbin@hopewellcrest.org and/or rchappius@hopewellcrest.org . As always if you have any questions please feel free to ask! Email or call your child's teacher, an administrator, the school counselor or someone in the main office for help! Keep up the great work everyone; we are noticing and remember to stay #hopewellstrong!
