

Hello this is John Ogbin from Hopewell Crest School with a very important announcement. Governor Murphy has announced that school will remain closed for in-person instruction for the remainder of the school year. Hopewell Crest will continue online instruction for grades 2 through 8 and packets and online instruction for Pre - K through 1<sup>st</sup> grade. As a district we are saddened by this announcement but understand that it is what is best for the safety and security of the students and staff. We understand that you have many questions stemming from this decision. Currently, we are working to answer them. Please continue to monitor our school website at [www.hopewellcrest.org](http://www.hopewellcrest.org) and our facebook page for any updates and announcements. We thank you for your continued cooperation during this uncertain time and wish you the best.
