MRS. MEGHAN E. LAMMERSEN
Superintendent

MR. JOHN OGBIN
Vice Principal/Curriculum Coordinator

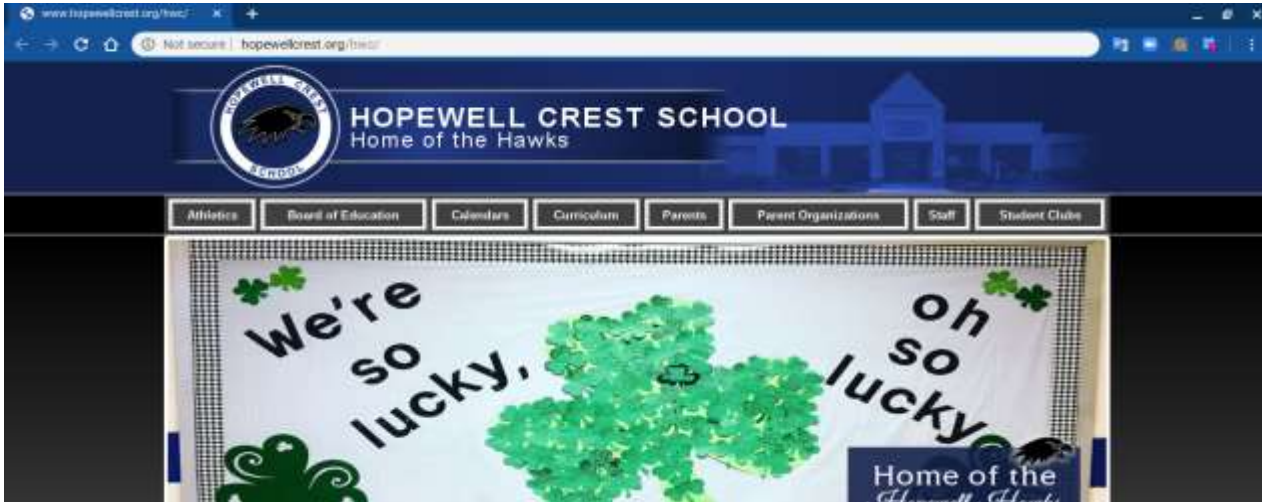

Dear Parents and Guardians,

As we welcome a new school year, we want to provide you with information on how the first day will proceed. Below is a quick reference guide on how to log on to the chromebook and proceed with the day online.

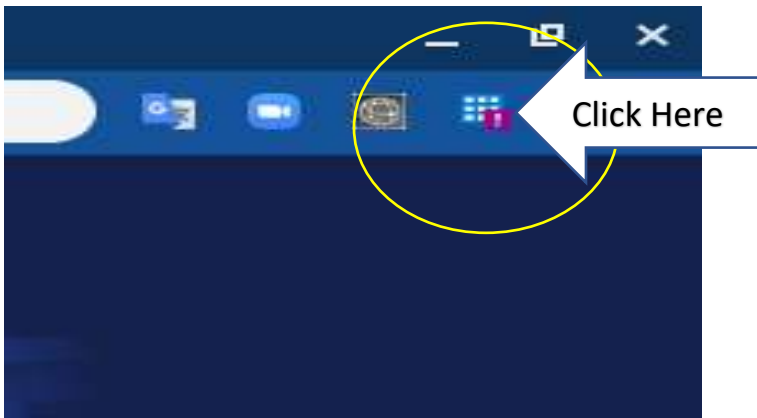

Step One: log on to the chromebook by 8am allowing enough time to enter the first class of the day. All student passwords have been reset please email or call your child's teacher for the password if you have not heard from them. It is imperative that you change that temporary password by clicking this link <https://support.hopewellcrest.org/authorization.do> and resetting your child's password. Mr. Halter has provided a video on the process click the link below to view the video.

[Resetting Your Password](#)

Step Two: Once logged in to your computer you will see a page that looks like this:

Once there click the small box at the top right-hand side under the minus sign.

This will produce a drop-down box that will direct you to input your username and password.

Step Three: Once you enter the information you will see a screen with **Apps** listed called the Access Panel Applications Tab. That is where you will find the TEAMS app. TEAMS is where you will get all the information from teachers, class meetings, assignments, files, etc. You can also find your email on the apps page.

Once you get logged into TEAMS the classroom teacher will be there to answer questions about the school day.

For help with TEAMS please visit our You Tube page for solutions to your problems.

Our Virtual schedules for Elementary and Middle School Are listed below. We will start off tomorrow with B specials. That means students will log into the TEAM next to the letter B for their grade level during 3rd or 4th period for Elementary Students and 6th or 7th Period for Middle School Students. Kindergarten and 1st grade students will not meet with their special area teachers for the first couple of days to work out logon issues and to get to know TEAMS.

COVID Elementary – Virtual 2020-2021

If you have trouble logging in, please contact the school at 856-451-9203. We anticipate a high call volume so please be patient with us as we answer questions and solve problems. This will be a learning experience for many of us and we expect ups and downs during the beginning stages of virtual learning. Together we will work through them and be successful.

Finally, we will be handing out food on Thursdays in the back-parking lot of the school on Thursdays during virtual learning just as we did during the shutdown in the spring.

Educationally Yours,

Hopewell Crest School
