Dear Parents,

If you intend on dropping your child off to school each day here are few reminders on our procedures.

All students in grades prek-5 will be dropped off around the back of the building. If your student requires assistance to exit the car, you will be asked to park along the sidewalk and help them out. Please do not get out of your car while in the car line. All other students and parents will follow the bus loop and students will exit the vehicle once they have been signaled by a staff member. All students in grades 6-8 will be dropped off at the East end of the building. Again, parents and students will remain in the vehicle until signaled to get out. parking lot out back. All students must be ready to exit the vehicles. Staff will not be available to assist in taking students out of vehicles. Please be reminded doors will be open at 7:50am and will be closed 8:00am. If you arrive after the doors have closed, you will have to sign your student in at the main office.

Thank you for your continued patience and understanding as we try to provide the safest and most effective procedures.

Thank you-

Meghan Lammersen
