September 10, 2019

Dear Parents and Guardians:

Each spring we administer state mandated assessments in grades 3-8; the NJSLA (The New Jersey Student Learning Assessment) measure student achievement in English Language Arts/Literacy, Mathematics, based on the learning standards contained in the NJSLA for Math and Language Arts and the NJSLA for Science in grades 5 and 8 only. Please refer to the testing schedule on the next page for the test administration window for the 2019-2020 school year. We will be sending out another letter as we approach the test administration window.

We appreciate your cooperation in making sure your child attends school daily and on time during testing dates. Remember, it is also important that your child receives a healthy breakfast and enough sleep throughout testing. Cell phones and other electronic devices will not be permitted in classrooms with students during test administration. Students are permitted to bring a recreational book to read once they have completed the test. Please contact us with any questions or concerns. Thank you.

Sincerely,

John Ogbin
Vice Principal/Curriculum Coordinator
